

How to look after a hamster guide

Can you produce a guide on how to look after a hamster. (This is similar to our brochure on dogs that we did in class.)

From reading the book it would have given you ideas and suggestions on how to look after a hamster.

For example:

- Hamster homes e.g. cages
- Toys e.g. wheels, tunnels
- Feeding your hamster e.g. pellets, bread, cornflake, clean water
- Keeping your hamster fit and healthy e.g. hamster wheel, check it daily

I would like you to put this information into a guide. I have put some examples of guides on the following pages. They both have different layouts, you can design it however you like.

You will need to include:

- Bold title - maybe you could do bubble writing
- Pictures
- Colour
- Small paragraphs of information
