

Hide and Seek

Have you ever played 'Hide and Seek'? How did you feel when you were hiding?

Things that you could consider in your writing:

What could you see?

What could you hear?

How did you move whilst you were waiting?

How were you feeling as you were waiting alone?

How did you feel when you were found?

On the following page I have written an example which might help you. Then on the page after that I have produced a plan which will help you to put your ideas down onto paper.

Remember to include **capital letters**, **full stops** and **all sentences must make sense**.

Could you try adding some **POWER WORDS** - **crammed**, **cramped** or **squeezed**

Please write the date and title please.

Hide and Seek

I remember hearing my brother counting as I sprinted to my special hiding place. It was behind my wardrobe in my bedroom, **crammed** under a bean bag.

My heart was beating so fast and my breath was very loud from the run, which I was afraid would give my hiding place away. I closed my eyes as it was so dark trying to keep as still as possible.

I heard footsteps come thundering up the stairs diving in and out of each bedroom. Next, it went quiet and slowly I heard the creaking of my bedroom floorboards as he came to find me. I held my breath trying not to make the beans in the bean bag make any noise. I nervously waited in anticipation as he threw the bean bag above his head to reveal my hiding place.

A rush of excitement came over me as I saw sunlight and the shadow of my brother. Now it was my turn to count.

Don't forget to say each sentence you are going to write out loud, at least three times, as this will help you write it more accurately!

Hide and Seek Plan

waited? E.g. excited, bored

Ear – What could you hear? E.g.
feet running, whispers of seekers

Legs – How did you move?
E.g. fidget, wriggle, squeezed
