

## My Favourite Day

Today we are going to write about our favourite day during the holidays. Now I know it was a very unusually Christmas holiday but I'm sure you still managed to have a fantastic time.

Things that you could possibly include in your writing:

Did you do anything special? Go for a walk, play in the snow (if you had the chance).

Did you have a delicious Christmas roast? What was your favourite part?

Were you able to meet anyone over Christmas? If not indoors maybe on a walk.

Maybe you could write about your favourite Christmas present? What was it? Have you played with it since?

Maybe you really enjoyed giving someone a special gift?

On the following page I have written an example which might help you. Then on the page after that I have produced a plan which will help you to put your ideas down onto paper.

Remember to include **capital letters**, **full stops** and **all sentences must make sense**.

## My Favourite Day

My favourite day over the Christmas holidays was Christmas day. I was so excited when I woke up and found that my stocking at the end of my bed was full. I jumped straight out of bed and grabbed it. I gently opened each present making sure that I looked at the label to see who it was from so I could thank them later.

It was a quiet Christmas with just Mrs Powell and my daughter, but we still had a fantastic day. We had a delicious roast turkey with all the trimmings. My favourite part were the pigs in blankets and this year I even managed to eat a sprout or two.

After lunch, we met up with my parents and went on a Christmas walk around Bircher Common, which was beautiful. I found it very difficult to walk as I ate far too much for lunch.

Later on in the evening I sat down and enjoyed watching a Christmas movie with my daughter. It was Arthur Christmas, which we both really laughed at.

Then suddenly it was bedtime! I couldn't believe how quickly the day had gone and I'm already looking forward to next year!
