

Wednesday 3rd March

English task sheet

Write a **new title** underlined in your English book: Using a semi-colon

1- Complete the [semi-colon activity sheets](#)- please **write in your book** rather than on the sheets.

2- **Think** really carefully about how you would explain to someone how to use a semi-colon in their writing.

Use the [semi-colon poster](#) sheet to help you create a poster suitable for Y5/6 children to help them remember- make it clear, bold, colourful and accurate. You can use humour if you like.

I am looking forward to choosing one or two to use on our English board in Class Five to help us remember.

3- If you have time today, have a go at these [Education City](#) activities to check your understanding of semi-colons, colons and dashes.

- Football Fame
- Jungle Dash

Both activities are found in the Y5 and Y6 areas.

Enjoy,

Mrs P
