- 2- **Complete the worksheet**- if you want / need to work off the screen and answer in your maths book.
- 3- Use the answer sheet to **check your answers** and have a re-think of any that you weren't sure on- make sure you **UNDERSTAND**- if not, email me via teacher email and I will help you.
- 4- Have a go at the **True or false question** in the maths folder- use your **maths vocabulary to explain** your reasoning.

If you have time, go on to **TTRS** to practice times tables, or **Education City fraction** activities if you feel you need that more.

Good luck,
Mrs. P
