1- **Y5 White Rose maths lesson:**

2- **Complete the worksheet**- if you want / need to work off the screen and answer in your maths book.

3- Use the answer sheet to **check your answers** and have a re-think of any that you weren't sure on- make sure you **UNDERSTAND**- if not, email me via teacher email and I will help you.

4- Now go on to **COTD** and **get as far as you can** in the time you have left in your maths hour. Focus on **accuracy** not speed. **Check your answers after every two calculations**. Don't keep going if you are struggling- ask for help. **Keep the sheet** as you can continue with this after half term.

Good luck,
Mrs. P
