

# The Future

Pages 34 and 35 of the Study Book show some of the ways that we can reduce the amount of greenhouse gases we produce, so that we can try to stop climate change.

- Can you find the 13 words related to climate change in the word search below? Circle the words and cross them off the list as you find them.

reuse  
reduce  
greenhouse  
oil  
coal  
global  
warming  
gases  
recycle  
environment  
fossil fuels  
atmosphere  
carbon dioxide
