

Home Learning versus School Learning

Complete the table below with as many ideas as you can to help you compare and think about the similarities and differences/ pros and cons of learning at home and at school. You will be using these ideas for a piece of writing, so do the thinking now so you can focus on the structure and everything else later. Be honest!

Learning at home and school: What's the same?	Home Learning: positives	Home Learning: negatives
Learning at home and school: what's different?	School Learning: positives	School Learning: negatives
Which do I prefer? Why?	Which do my friends prefer? Why?	Which do my teachers prefer? Why?
Adjectives to describe home learning	Adjectives to describe school learning	How I feel about returning to school
