

Class 5 English

Thursday 4th February

Spend **an hour** on your English tasks this morning, just like we would in class.

You should already have your **daily dictation** and **NNS quiz** in your English book for today and a date underlined.

1- Complete today's **spelling mat**

2-- Complete the **Kamala Harris reading comprehension** from the English folder- **answer in detail**, using **evidence** from the text.

Please answer EVERY question to your best ability.

Check your answers and think about why you may not have got full marks in some questions- email to ask if you don't understand.

If you have printed out the sheets, please stick them in to your English books using the 'flip, flap' method on one page. If you haven't printed them out, write a title in your English book and answer the questions in there- you don't need to write the questions out as long as you number them clearly.

See you later,

Mrs. P
