

Class 5 English

Wednesday 3rd February

Spend an hour on your English tasks this morning, just like we would in class.

You should already have your **daily dictation** and **NNS quiz** in your English book for today and a date underlined.

- 1- Today you are going to take another Oak Academy lesson online about:

Apostrophes for plural possession

Write a title in your English book.

Watch the video and pause and do the activities in your English book when asked to by the teacher.
