

Maths Y5

Thursday 28th January

Equivalent fractions

Spend **an hour on** maths today as we normally would.

Write today's date and title in your maths book and underline it.

COTD -Use the COTD practice sheets which include answers. Sheet 3

Y5/ 6 3 digit x 1digit fluency

-complete as much of the third sheet as you can in 15 minutes.

*Please ensure you are setting out your work correctly- as yesterday- and check using the answer sheet. Use a **RULER**.*

YEAR 5

- 1- Look again at yesterday's **White Rose video** below, and tasks in the **Y5 maths folder on equivalent fractions**
<https://vimeo.com/498327611>

- complete the **worksheet questions 5-9** when the video instructs you to
- check your **answers** and make sure you **understand** any errors
- try the **True or False question** (T or F) - can you explain using maths vocabulary?

- 2- If you need practice with finding equivalent fractions to gain fluency, choose one of the **fluency practice sheets** in the Y5 folder

OR

If you are feeling confident and want a challenge, then go straight to the **reasoning practice activity** in the Y5 folder

Complete as much as you can with understanding in the time you have left in the lesson.

If you like, you can spend some time having a go at the equivalent fractions activities in Y4 and 5 on **Education City**

Well done,

Mrs P
