

Maths Y6

Thursday 28th January

simplifying fractions

Spend **an hour on** maths today as we normally would.

Write today's date and title in your maths book and underline it.

COTD -Use the COTD practice sheets which include answers. Sheet 3

Y5/ 6 3 digit x 1digit fluency

-complete as much of the third sheet as you can in 15 minutes.

*Please ensure you are setting out your work correctly- as yesterday- and check using the answer sheet. Use a **RULER**.*

YEAR 6

1- Watch this **White Rose video** below, and tasks in the **Y6 maths folder** on simplifying fractions

<https://vimeo.com/467396285>

Make sure you understand what is explained on the video before attempting the worksheet- remember that you can watch it as many times as you need to.

-complete the **worksheet** questions when the video instructs you to

-check your **answers** and make sure you **understand** any errors

2- Have a go at the **simplifying fractions using the highest common factor sheet**.

Complete as much as you can with understanding in the time you have left in the lesson.

Well done,

Mrs P
