

Class 5 Maths Y5 and Y6

Wednesday 27th January

Fractions- What is a fraction?

Equivalent fractions

Spend **this morning** on maths as we did yesterday.

Write today's date and title in your maths book and underline it.

COTD -Use the COTD practice sheets which include answers. Sheet 2

Y5/ 6 3 digit x 1digit fluency

-complete as much of the second sheet as you can in 15 minutes.

-Do not move on to the third sheet- if you finish before 15 minutes- move on to **White Rose**

*Please ensure you are setting out your work correctly- as yesterday- and check using the answer sheet. Use a **RULER**.*

- 1- Look at the **White Rose video** below, and tasks in the **What is a fraction? folder**

<https://vimeo.com/498327271>

for most of Y6 this will be revision- but it is worth completing to get you warmed up.

-complete to **worksheet** questions when the video instructs you to

-check your **answers** and make sure you **understand** any errors

-try the **True or False question** (T or F) - can you explain using maths vocabulary?

- 2- Next watch **White Rose video** below, and tasks in the **equivalent fractions 1 folder**

<https://vimeo.com/498327458>

Make sure you understand what is explained on the video before attempting the worksheet- remember that you can watch it as many times as you need to.

again, **for most of Y6 this will be revision**

-complete to **worksheet** questions when the video instructs you to

-check your **answers** and make sure you **understand** any errors

-try the **True or False question** (T or F) - can you explain using maths vocabulary?

- 3- Finally, watch the **White Rose video** below, and tasks in the **equivalent fractions 2 folder**

<https://vimeo.com/498327611>

STOP THE VIDEO WHEN ASKED TO COMPLETE Q1-4 ON THE WORKSHEET.

-complete **Q1-4 only** and check your answers and your understanding.

DO NOT MOVE ON FURTHER TODAY

Well done,

Mrs P
