

Class 5 English

Monday 18th January

Spend **an hour** on your English tasks this morning, just like we would in class.

foreign

You should already have your **daily dictation** in your English book for today and a date underlined.

1- Complete the **spelling mat** (in the folder) and stick it in your English book. Don't worry if you can't print it out- just do the activities straight in to your English book.

2- **Uplevelling sentences:**

Use these words to write an **active sentence** which includes an **interesting adverb** and at least **two adjectives**:

subject- **gorilla**

object- **pencil**

verb- **writing**

(Hint- in an active sentence, the subject is 'doing the doing' and the sentence starts with the subject; an adverb adds to the verb and an adjective adds to a noun)

3- Complete the **David Attenborough reading comprehension** from the English folder- answer in detail, using evidence from the text.

Check your answers and think about why you may not have got full marks in some questions- email to ask if you don't understand.

If you have printed out the sheets, please stick them in to your English books using the 'flip, flap' method on one page. If you haven't printed them out, write a title in your English book and answer the questions in there- you don't need to write the questions out as long as you number them clearly.

See you later...
