

## French

We will continue this week to use BBC Bitesize for French.

This week's focus will be numbers one to eleven.

Below is the link to the website.

<https://www.bbc.co.uk/bitesize/topics/zjcbrj6/articles/zgnwr2p>

This is the same web page that we used last week. Could you scroll down to the title - **Numbers one to eleven in French**.

Please practice by reading the information, playing the sound clips and repeating what is being said.

After you have practiced this there is a worksheet for you to complete on the school website.

When you have done that worksheet maybe you would like to have a go at the second one. This one has French number sentences for you to complete.

Any problems then please email
