

French

For this terms French we are going to use BBC bitesize to help teach the French curriculum.

For the first few weeks we will do a little bit of recap on 'Talking about yourselves' before we move onto new topic areas.

Below is the link to the website.

This week we are going to cover the subject areas of *How to say your name in French* and *'What are you called?' in French*.

These are the first two titles on the webpage.

Please practice by reading the information, playing the sound clips and repeating what is being said.

After you have practiced this there is a worksheet for you to complete on the school website.

Any problems then please email
