

LIGHT

Y3/Y2

After watching the video clips see if you can remember what the following words mean and write their definition:

reflective: _____

transparent: _____

opaque: _____

translucent: _____

Now take a walk around your house and outside to find examples of the following:

<u>Natural Sources of Light</u>	<u>Man made/artificial sources of light</u>		
<u>Reflective Materials</u>	<u>Opaque Material</u>	<u>Transparent Material</u>	<u>Translucent Material</u>
