

"What do you want to be  
when you grow up?"

"Kind," said the boy

*Charlie Mackay*

## **Year 4 Home Learning Overview** **Week 7 8<sup>th</sup> – 12<sup>th</sup> June**

Hello Year 4!  
Here is your home learning for this week.

### **Maths**

Look at separate sheet in Y4 Maths folder.

### **Reading**

This week's reading comprehension is based on an extract from Chapter 1 of 'Harry Potter and the Philosopher's Stone' by JK Rowling (my favourite series of books!).

Read the extract with an adult and then answer the questions.

### **Spelling**

Complete the two Y4 spelling sheets created by Miss Wills that are in the folder.

Do daily dictation if you can, with an adult choosing a word from the Y3/4 word list (on the website) and giving you a sentence that you need to practise verbally before writing it down. Remember to include the correct punctuation.

You could use the sentences on the spelling sheets in the folder.

### **Grammar**

Complete the Year 4 SPaG mat in the English folder.

### **Short Writing**

- Two exercises on following instructions to improve sentences. See separate sheet for more information.

### **Topic writing**

This half term our topic is going to be the Olympics/Paralympics.

This week I would like you to research the history of the games (the Ancient Olympic Games, the modern Olympic Games and the Paralympic Games).

Find out when they began, why they began, mottos, etc.

Your work could be presented on a double page of your home learning writing books.

You could also include pictures.

### **Times Table Rockstars**

Play 4 studio and 4 garage games this week.

You can email any pictures, work, updates and questions to me at [teacher@kingslandengland.hereford.sch.uk](mailto:teacher@kingslandengland.hereford.sch.uk).

Have a lovely week!  
Stay safe,  
Miss Powis
