

This week you can choose a task to complete based on life in Medieval times.
Use this [website](#) to help you.

Option 1

Create a leaflet explaining what life was like in a Medieval town and a Medieval village.

Use one of the pages to explain the similarities and differences.

Option 2

Imagine you are walking around a Medieval town.

Write a setting description.

Remember to include the 5 senses:
What can you see? What can you hear?
What would you be able to touch?
What would it smell like?
