

# DAY FOUR

## Order Decimals

**Activity 1:** Write down the decimals represented in the place value grid and then place them in ascending order.

Ones	Tenths	Hundredths
●	●●●	●●

Ones	Tenths	Hundredths
●	●●●●	

Ones	Tenths	Hundredths
	●	●●●

Ones	Tenths	Hundredths
●●	●	●●●●

**Activity 2:** Place the numbers in descending order.

46.2      9.64      46.02      40.46

**Activity 3:** Place the numbers in descending order.

5.67      5.07      0.67      2.67

**Activity 4:** Place the numbers in descending order.

5.7      2.7      0.6      1.9

**Activity 5:** Insert < or > between the numbers.

1.11        1.12        1.13

3.32        3.23        2.32

4.44        4.34        4.04

**Activity 6:** Some children have planted sunflowers and have measured their heights. Order the children based on the heights of their sunflowers in both ascending and descending order.

Child	Height
Beth	1.23m
Tony	0.95m
Rachel	1.02m
Kate	1.2m
Faye	99cm
Emma	0.97m
