

Y6 leavers... good bye... and thank you

Well, we made it Y6! It is the last week of your time here at Kingsland and what a rollercoaster ride it was:

There have been highs and lows and smiles and tears and tests and tantrums and laughs and fears and hope and friendship and challenges and triumphs... and we did it together...even when we were at home or in our separate bubbles, we were still a united team- well done!

Thank you for being the wonderful individuals you are and for making our school a better place through all you do and say.

I am very much looking forward to seeing ALL of you on Thursday afternoon for our Leavers' Celebration.

Just a few practical reminders for this week:

Team A- remember to wear PE kits to school on Monday and Tuesday and to bring your special picnic and a picnic blanket on Tuesday.

Remember to wear smart school uniform to school for 1.30pm on Thursday for the celebration.

On Tuesday you will be taking home your books so bring a strong bag.

Team B- remember to wear PE kit to school on Wednesday and smart school uniform on Thursday.

Remember to bring your special picnic and a picnic blanket on Thursday.

On Thursday you will be taking home your books so please bring a strong bag.

This week I just want you to make sure you are ready with the words in your head and your voices in fine form ready to sing the songs for our celebration on Thursday.

Come ready to sing your hearts out, read your parts enthusiastically and make us all proud.

It is not the leavers' service we were hoping for but this year is special, and so are you- so let's make it the best one yet!

'After every storm there is a rainbow'
