

Year 5 Maths Home Learning

Week 11 6th – 10th July

Hello Year 5,

This week you need to look at <https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons>

This is **NEW LEARNING** so please do watch the videos as many times as you need to.

Click the link for the correct day on the website and watch the videos. There are questions on the BBC Bitesize site to answer. I have included the White Rose maths sheets in the Year 5 Maths folder if you would like to complete these too.

If you have any questions please email teacher@kingslandengland.hereford.sch.uk

Miss Powis

DAY 1

- COTD
- Click on **6th July: Maths** on BBC Bitesize Daily Lessons website (link above).

Lesson 1: Distinguishing between regular and irregular polygons.

- Watch the video (as many times as you need to)
- Do the activity sheet (This does not have to be printed, it can be written in your maths home learning book).
- Look at the answers and do any corrections.
- **Challenge: Clear the Pack** – can you beat your time?

DAY 2

- COTD
- Click on **7th July: Maths** on BBC Bitesize Daily Lessons website.

Lesson 2: Identify 3D shapes from 2D representations.

- Watch the video (as many times as you need to)
- Do the activity sheet
- Look at the answers and do any corrections

Challenge: Cumulative adding - How long does it take you to add all of the cards?

DAY 3

- COTD
- Click on **8th July: Maths** on BBC Bitesize Daily Lessons website.

Lesson 3: Reflection

- Watch the video (as many times as you need to)
- Do the activity sheet
- Look at the answers and do any corrections
- **Challenge:** Play 3 studio and 3 garage games on Times Table Rockstars

DAY 4

- COTD
- Click on **9th July: Maths** on BBC Bitesize Daily Lessons website.

Lesson 4: Translation

- Watch the video (as many times as you need to)
