

Basic French Questions Board Game

You will need:

- Counters (one per player)
- Dice (one die per group)

Instructions: This game can be played in pairs or small groups. The first player rolls the die and moves their counter along the board. The player to their left reads out the question on that space and the first player must answer in French. If they answer correctly, they may keep their counter on that space. If they don't answer correctly, they must move back 3 spaces. Continue to take turns until someone reaches the finish space ('Arrivée !').
