Woodland Habitat

What types of animals might you see in a woodland habitat? Lift the flap to see.

Ocean Habitat

What types of animals might you see in an ocean habitat? Lift the flap to see.

Jungle Habitat

What types of animals might you see in a jungle habitat? Lift the flap to see.

Cut across the dotted lines to create the flaps. Place glue only underneath the title section 'Animal Habitats'. Stick both pages together to make your flap book. Write or draw about animals you would find in each habitat under its flap.
