

Bug Hotel

Activity

Make a bug hotel using recycled materials. What kind of bugs do you think will come to your bug hotel?

You will need

- Plastic bottle
- Scissors
- Newspaper
- Sellotape

1

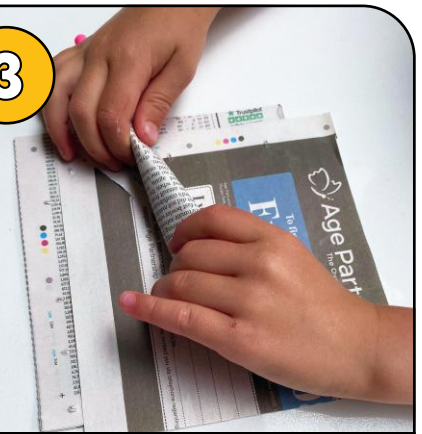

Get a large plastic bottle and cut it in half with scissors.

2

Cut out a small square of newspaper.

3

Roll the newspaper into a sausage shape.

4

Hold the paper tubes together with sellotape.

5

Insert the paper tubes into the bottle.

6

Repeat until your bottle is full.
