Let your light shine

“Let your light shine before others that they may see your good deeds and glorify your Father in heaven.” Matthew 5:16

Let your light shine on our vision:

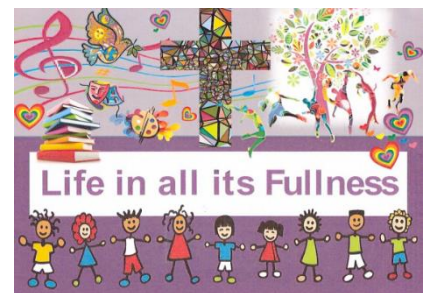

As God's children, overflowing with His light, we will shine before others to inspire, nurture and bring joy so all may embrace life in its fullness to the glory of God.

Our Christian value for this half-term is **THANKFULNESS**

Please help your child to reflect on the importance of this Christian value.

Life at Kingsland CE Primary School: life in all its fullness (John 10:10)

The Children's Bookshelf, Class 5 Border Oak visit, violin lessons, after school tutoring, Learn to Love governors' committee meeting, Herefordshire Performing Arts Celebration Concert in the Coronation Hall, Class 5 D&T day, Class 2 swimming lessons, Y6 after school revision club, Singing Assembly, Tag Rugby match vs Canon Pyon Primary School, guitar lessons, football and netball matches vs Wigmore, Worship Times with Joe and Julie, staff meeting, ballet lessons, EYFS staff training, Senior Leadership Team meeting, 9 different after school clubs ... can you believe that all these have happened just in this week?! And, of course, all children have relished and enjoyed high quality lessons every day. What a phenomenal achievement!

PLEASE DO NOT PLAN HOLIDAYS DURING TERM TIME

YR School Places for September 2022

If you know of families with children due to start YR in September and who are still looking for a school place, please do ask them to contact the school office as soon as possible on 01568 708436 or admin@kingslandengland.hereford.sch.uk We would be delighted to hear from them.

Life in all its fullness (John 10:10)

As part of their topic about 'Awe-inspiring Architects', Class 5 children enjoyed a fabulous visit from Border Oak ...

The children loved visiting the Children's Bookshelf on Monday ...

The Children's Bookshelf

Thank you for supporting the Children's Bookshelf book sale on Monday – a total of 214 books were purchased, earning the school 21 golden tickets! A fantastic event!

Parent Questionnaire

Thank you for completing the recent Parent Questionnaire. The results and analysis have been shared with governors and can be found [here](#).

Please do reflect on the prayer written by Pixie at home:

Dear Lord,

Please make peace come again. And make sure World War 3 does not happen in the world.

Amen

Congratulations go to the following children who have received Headteacher's Awards:

Teddy, Jasmine and George for super writing about our Croft Castle visit; **Alfie** for a great drawing about visiting Croft Castle; **Willow and Alice** for super writing about 'what do vets do?'; **Scarlett** for having a great positive attitude in maths; **Eleanor** for always working really hard – well done!

Last Friday, Y1s and Y2s helped Mr and Mrs Saunders to plant 4 fruit trees in the meadow. They planted 2 apple, 1 pear and 1 plum tree.

Many thanks to Mr and Mrs Saunders for donating the fruit trees and giving their time to come and plant the trees with the children.

Spring Sports' report

So far this half term we have played 7 fixtures and we still have another 8 to play.

For many of these fixtures this is the first time children have had the opportunity to represent the school due to Covid. The emphasis is on enjoyment and taking part.

Year 4/5 football v Lucton 2-2 D

Year 4/5 netball v Lucton 8-2 L

Year 3/4 hockey tournament – this was a fun tournament and scores were not recorded

Year 5/6 Netball v Shobdon – 4-1 L

Year 5/6 Girls' football v Burghill – the emphasis on this game was to give the chance for children to have a game.

School Games Netball Tournament – The team came in the top 3 and has qualified to represent the school in the Herefordshire finals

Year 5/6 football v Shobdon – (a very close match) 2-1 L

Still to come

Rolle Cup final game v Canon Pyon. If we win we will be the Grand Slam winners of the Rolle Cup.

Year 5/6 football v Wigmore

Year 5/6 Netball v Wigmore

The football team will be representing Herefordshire in the Midlands Final in Birmingham after qualifying from a 40 team tournament from last October

Girls' football v Leominster

Boys' Football v Leominster

Quicksticks Final – the quickstick (hockey) team will represent the school in the Herefordshire Finals after qualifying from a tournament in October

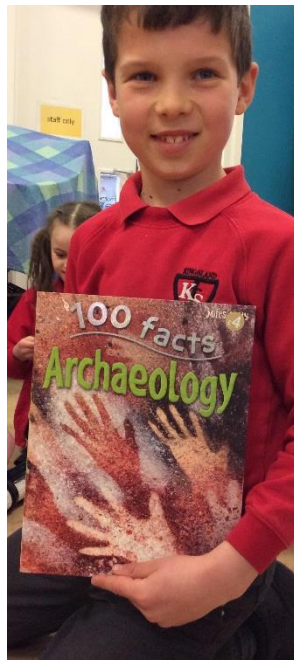

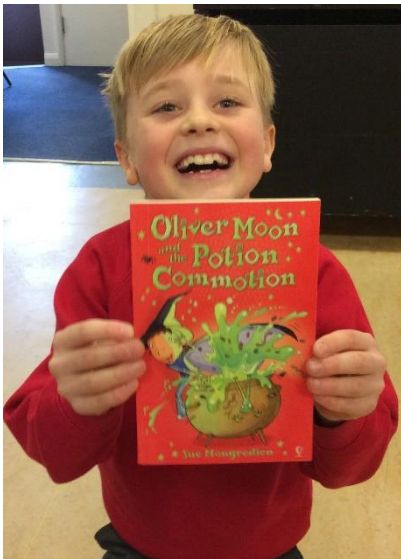

Netball Final – the netball team will represent the school in the Herefordshire Finals after qualifying from a tournament last week.

Before half term Mrs Lewis provided the willows and her expertise to help build a willow den in our new meadow with some Kingsland helpers. Many thanks for her donations and invaluable advice.

Class 4 have had a busy week, including weaving, Children's Bookshelf and doing melting and cooling in science, making crispy cakes.

18 Y4/5 children enjoyed a fabulous School Ventures residential weekend at the Pioneer Centre. Thank you to Miss Williams and Wendy Maddocks (school governor) for giving up their weekend to attend.

Class 5 enjoyed a productive DT day on Thursday, focussed on their topic of 'Awe-Inspiring Architects' ...

The school's DT planning progression can be found [here](#).

Y4 Multiplication Tables Check (MTC)

All Y4 children will soon be taking the government's Y4 MTC. Click on [this link](#) to take you to a practise simulator.

Children in Year 3 should know all multiplication **and** division facts for the following multiplication tables:

10 2 5 3 4 8

Children in Year 4 should know all multiplication **and** division facts up to 12 x 12.

Children in Years 5 and 6 should know all multiplication **and** division facts up to 12 x 12 and be able to rapidly recall them and apply this knowledge to problem solving questions. They should also **make connections** with other related facts e.g. fraction and decimal facts – if I know $6 \times 7 = 42$, then I also know that $0.6 \times 7 = 4.2$ and $60 \times 70 = 4200$.

Lent Collective Worship

This week we reflected on how we can bring hope to other people and how we should value each other. We learned about the story of Jesus healing the woman in Luke 13:10-13. As part of this we thought about what 3 words show who we are. Watch the video again here: <https://youtu.be/nUdDRXL5xTI>

Further ideas for reflecting

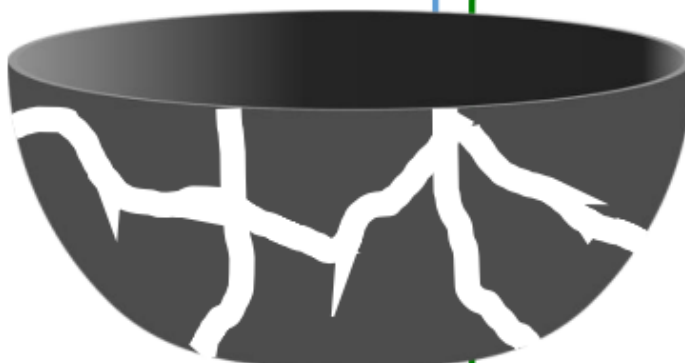

Kintsugi

Kintsugi is an ancient Japanese technique for repairing broken pottery. The pieces are mended

by joining them with gold, to create something even more special than it was before.

Are there people or places that you know about that are broken and need fixing back together?

Write their names or a prayer in the cracks with a gold/yellow pen or pencil.

What 3 words show who you are?

Upcycling

Could you make something out of things that have been thrown away. That way you are giving them a greater worth as well as looking after the planet.

What will you make and from what?

HOPE FOR UKRAINE

Take some time to prayer for the people of Ukraine. Many people are feeling worried for their lives, their loved ones and their homes.

What 3 things do you want them to know and feel?

Add them to the map of Ukraine to help focus your thoughts and prayers as you pray for them this week.

You could also pray for peace as you trace your finger around the map.

Free Easter Holiday Activities and Food (HAF) Programme in Herefordshire

Our free Easter holiday activities are now available to book!

If you are a parent or carer of a school aged child 4 to 16 years old (reception to year 11) who is eligible for benefits-related free school meals, you can now book up to **16 hours** of free activities throughout the Easter holidays.

The sessions offer a wide range of exciting indoor and outdoor activities, and include den-building, paddle boarding, circus skills, boxing, arts & crafts, rugby, football, cooking and dance. Your child will also receive a free nutritious meal during each session.

Some of these are able to offer provision for children with SEND or additional needs. Some schools may be offering specific activities to their own pupils, these will be identified when you access the booking system.

Book now by visiting our Talk Community holiday activities webpage: www.talkcommunity.org/holidayactivities. Places will be allocated on a first come first served basis (initially a provisional booking, confirmation to follow).

The activities are only available to children who are eligible for benefits-related free school meals and checks will be made to ensure that children meet this criteria.

We understand children aren't always able to attend booked activities, however, we would kindly request that children are cancelled off the session via the booking system to enable others to attend.

If you have a question about the Herefordshire Holiday Activities and Food (HAF) Programme, please contact the HAF Team at HAF@herefordshire.gov.uk

The Holiday Activities and Food (HAF) Programme has been funded nationally by the Department for Education. You can find out more by visiting the HAF2021 website: www.HAF2021.org.

This half term's Christian value is:

THANKFULNESS

Educating for Community and
Living Well Together

A prayer for THANKFULNESS

Thank you, God, for all your blessings to me and my family; for the strength you give me each day and for all the people around me who make life more meaningful. Amen

Christian Value Family Reflection

Welcome to our Christian Value Family Reflection which offers some suggestions, thoughts and ways into exploring and reflecting on the value of this half term: **THANKFULNESS**

A reflection on THANKFULNESS by Wendy Priday, Foundation Governor, Eardisland Church

A Bible story that illustrates the value of THANKFULNESS is the story of the ten lepers: Luke, Chapter 17.

A leper is a person who has a disease called leprosy which causes sores all over their bodies. In Jesus' day this disease was very common – people who had this disease were thought to be unclean and were required to stay away from others because of the fear that they may be infected.

One day, Jesus was walking through a small village when he saw a group of ten lepers. They stood far away from Jesus and called to him, “Jesus, Master, have pity on us.” Obviously, they knew who Jesus was and that he had the power to heal them. When Jesus heard them, he called back to the lepers and said “Go, show yourselves to the priest.”

As the lepers went on their way to see the priest, they looked at their skin and the sores were gone! Jesus had healed their disease! They were so happy that they ran up and down the streets singing and dancing. Suddenly, one of them stopped and went back. Praising God with a loud voice, he threw himself at Jesus' feet and said “Thank you”. Jesus said to him, “Weren't there ten who were healed? Where are the other nine?” Only one out of ten remembered to say, “Thank you.”

Every one of us has so much for which to be thankful and don't you just hate it when someone does something nice for you and you are prompted with the words “Now what do you say?” We all know what to say, but unfortunately, we sometimes forget to say it - which is what happened in our Bible story.

Last year many of you sent cards and pictures to the Wye Valley NHS to say a very big “Thank you” to them for all their extra hard work during this pandemic – and then they wrote back to you with their heartfelt thanks saying how much they appreciated what you had done!

There is a very old saying “Count your blessings” and, indeed, it reminds us to celebrate and be truly thankful for everything, our families and friends and the acts of service in this amazing world that keep us all going each and every day.
