

THE CHURCH OF ENGLAND

**Kingsland CE (VA)
Primary School**

The Kingsland Times

Friday 12th March 2021

Let your light shine

“Let your light shine before others that they may see your good deeds and glorify your Father in heaven.” Matthew 5:16

Let your light shine on our vision:

As God’s children, overflowing with His light, we will shine before others to inspire, nurture and bring joy so all may embrace life in its fullness to the glory of God.

Our Christian value for this half-term is
THANKFULNESS

Please help your child to reflect on the importance of this Christian value.

Life at Kingsland CE Primary School: life in all its fullness
(John 10:10)

It has been a wonderful return to school after such a long period of lockdown. The children have been working hard to realise their full potential and their learning has continued on from the learning they were doing at home. We look forward to the coming weeks – hopefully a greater sense of normality will resume as soon as possible.

GIVE
thanks
with a
GRATEFUL
heart

PLEASE DO NOT PLAN HOLIDAYS DURING TERM TIME

Kingsland CE Primary School, Kingsland, Leominster, Herefordshire HR6 9QN

Telephone: 01568 708436

Email: admin@kingslandengland.hereford.sch.uk

Website: www.kingslandceprimary.com

Dates for your diary

1 st April	Last day of term
20 th April	First day of Summer term
WB 31 st May	Half term break
8 th July	Y6 transfer day at high schools
20 th July	Last day of term

The revised 2020 - 2021 term dates can be found on the school website (2021-2022 and 2022-2023 term dates are now also available) following the link: <https://www.kingslandceprimary.com/term-dates/>

Due to the continuing COVID-19 pandemic, our normal shared events will be arranged on an ongoing basis as the situation is constantly changing. We will endeavour to keep things as normal as possible but will understandably avoid large gatherings of people.

Remote Learning Resources

Our revised remote learning provision from 8th March can be found [here](#) for individual children or groups who are having to self-isolate.

Big Question

We continue our series of BIG QUESTIONS as a focus for family discussions. This week's BIG QUESTION is:

What have you been grateful for this week?

An update from the school governors: this week all governors took part in General Data Protection Regulations (GDPR) training led by Sam Smith, the school's Data Protection Officer. The school's Data Protection Policy can be found [here](#).

House Tokens

Congratulations to the following children for achieving a house token!

Ambrey	Berrington	Croft	Mortimer
Harry Lucy James Ellie-Mae Josh Ada	Charlie Immy Nicko Evie Eve Jamie Jasmine Flo Zac Flo	Matilda Eleanor Anna Hatty Harry	Niamh Ella William Bella Seth Jess Callum

Every Friday, a child is awarded with “**The Maths Rock**” – this is given to a child who has worked especially hard in maths during the week. This week’s recipient is ... **Finn**. Well done!

Congratulations go to the following children who have received Headteacher’s Awards:

Mollie for super ball skills; **Ellie-Mae** and **Eli** for great work about penguins – well done!

Reading Book Amnesty

If you have any school reading books at home after use during lockdown, please could you return them to school as soon as possible. Thank you.

‘Let your light shine’ award

The ‘Let your light shine’ award is awarded to a child each week who goes above and beyond to ‘let their light shine’. This involves trying their best, but goes above and beyond this, ensuring their ‘light’ is shared and has a positive influence on others. This week the award goes to ... **Millie**. Well done! She is the very first recipient of this new award!

Holiday Activity Fund Easter 2021

The Department for Education has provided each local authority in England with funding to provide activities over the Easter period for children eligible for free school meals. Due to the ongoing Covid restrictions for Easter 2021 this activity will be in the form of an activity pack with packs appropriately aimed at primary school children containing a range of activity items and resources. If you are eligible and would like to receive a pack please let the school office know by **Wednesday 17th March 2021**. Packs will be distributed to primary schools in the last week of the term.

Get Crafting

Cultivating Learning and Nature CIC
are offering 200 **free** felting packs*

For more information and to
order a pack please visit our
website

Taking part in
crafts with natural
materials helps to
support your wellbeing

*Craft packs are reserved for
school-aged children from
low-income families living in
Herefordshire.

Covid-19 Lateral Flow Home Test Kits

I am writing to clarify the current position on Covid-19 testing, especially the LFD self-test kits. Primary school pupils **will not** be asked to test in school at this time.

However, if you are a member of a household, childcare bubble of a pupil, student or staff of a school or college, you can get a twice-weekly test through:

- your employer if they offer testing to employees;
- at a local test site;
- by collecting a home test kit from a test site;
- by ordering a home test kit online.

Take a test at a rapid lateral flow test site.

You can take a rapid lateral flow test at a local site. Testing at these sites is assisted, which means you will swab yourself under the supervision of a trained operator. You may need to book an appointment. Find your nearest rapid lateral flow test site at <https://maps.test-and-trace.nhs.uk/>

Collect test kits.

You can collect 2 packs of home test kits at a local collection point. Each pack contains 7 tests. Anyone 18 or over can collect. Most collection points are open from 1.30pm to 7pm. You can check online if the location is open or busy before you go. You do not need to make an appointment. Do not visit a collection point outside opening hours, as it may be used to test people with coronavirus symptoms outside these times. Find your nearest home test kit collection point at <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/>

Order home test kits online

If you cannot get tested at your workplace, or are unable to go to a test site or collect test kits, you can order a home test kit online. Do not order online if you can get a test through other methods. This frees up home delivery for those who need it most. Order rapid lateral flow home test kits at <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

What twice-weekly testing involves

You will be asked to:

- take a test twice a week (every 3 or 4 days apart);
- report every result to NHS Test and Trace on the same day you take the test.

Report your test result online HERE at <https://www.gov.uk/report-covid19-result> or by calling 119.

If anyone tests positive or gets coronavirus symptoms, they should:

1. Self-isolate immediately;
2. Get a PCR test to confirm the result;
3. Follow the stay-at-home guidance for households with possible coronavirus infection;
4. **At this point**, you will need to inform the school office that a member of your household bubble has tested positive.

If your child has tested positive and attends Kingsland CE Primary School then we will contact our Local Public Health for further guidance on potential bubble closure. A negative result means the test did not find signs of coronavirus. But this does not guarantee you do not have coronavirus, so you should keep following all coronavirus advice including:

- regular handwashing
- social distancing
- wearing a face covering where recommended

I will continue to keep you updated as regards to any change in Covid-19 protocols and guidance via the school newsletter and website.

Kingsland CE Primary School

Let your light shine

**“Let your light shine before others that they may see your good deeds and glorify your Father in heaven.”
(Matthew 5:16)**

This half term's Christian value is:

THANKFULNESS

Educating for Community and
Living Well Together

A prayer for THANKFULNESS

Thank you, God, for all your blessings to me and my family; for the strength you give me each day and for all the people around me who make life more meaningful. Amen

Christian Value Family Reflection

Welcome to our Christian Value Family Reflection which offers some suggestions, thoughts and ways into exploring and reflecting on the value of this half term: **THANKFULNESS**

A reflection on **THANKFULNESS** by Wendy Priday, Foundation Governor, Eardisland Church

A Bible story that illustrates the value of **THANKFULNESS** is the story of the ten lepers: Luke, Chapter 17.

A leper is a person who has a disease called leprosy which causes sores all over their bodies. In Jesus' day this disease was very common – people who had this disease were thought to be unclean and were required to stay away from others because of the fear that they may be infected.

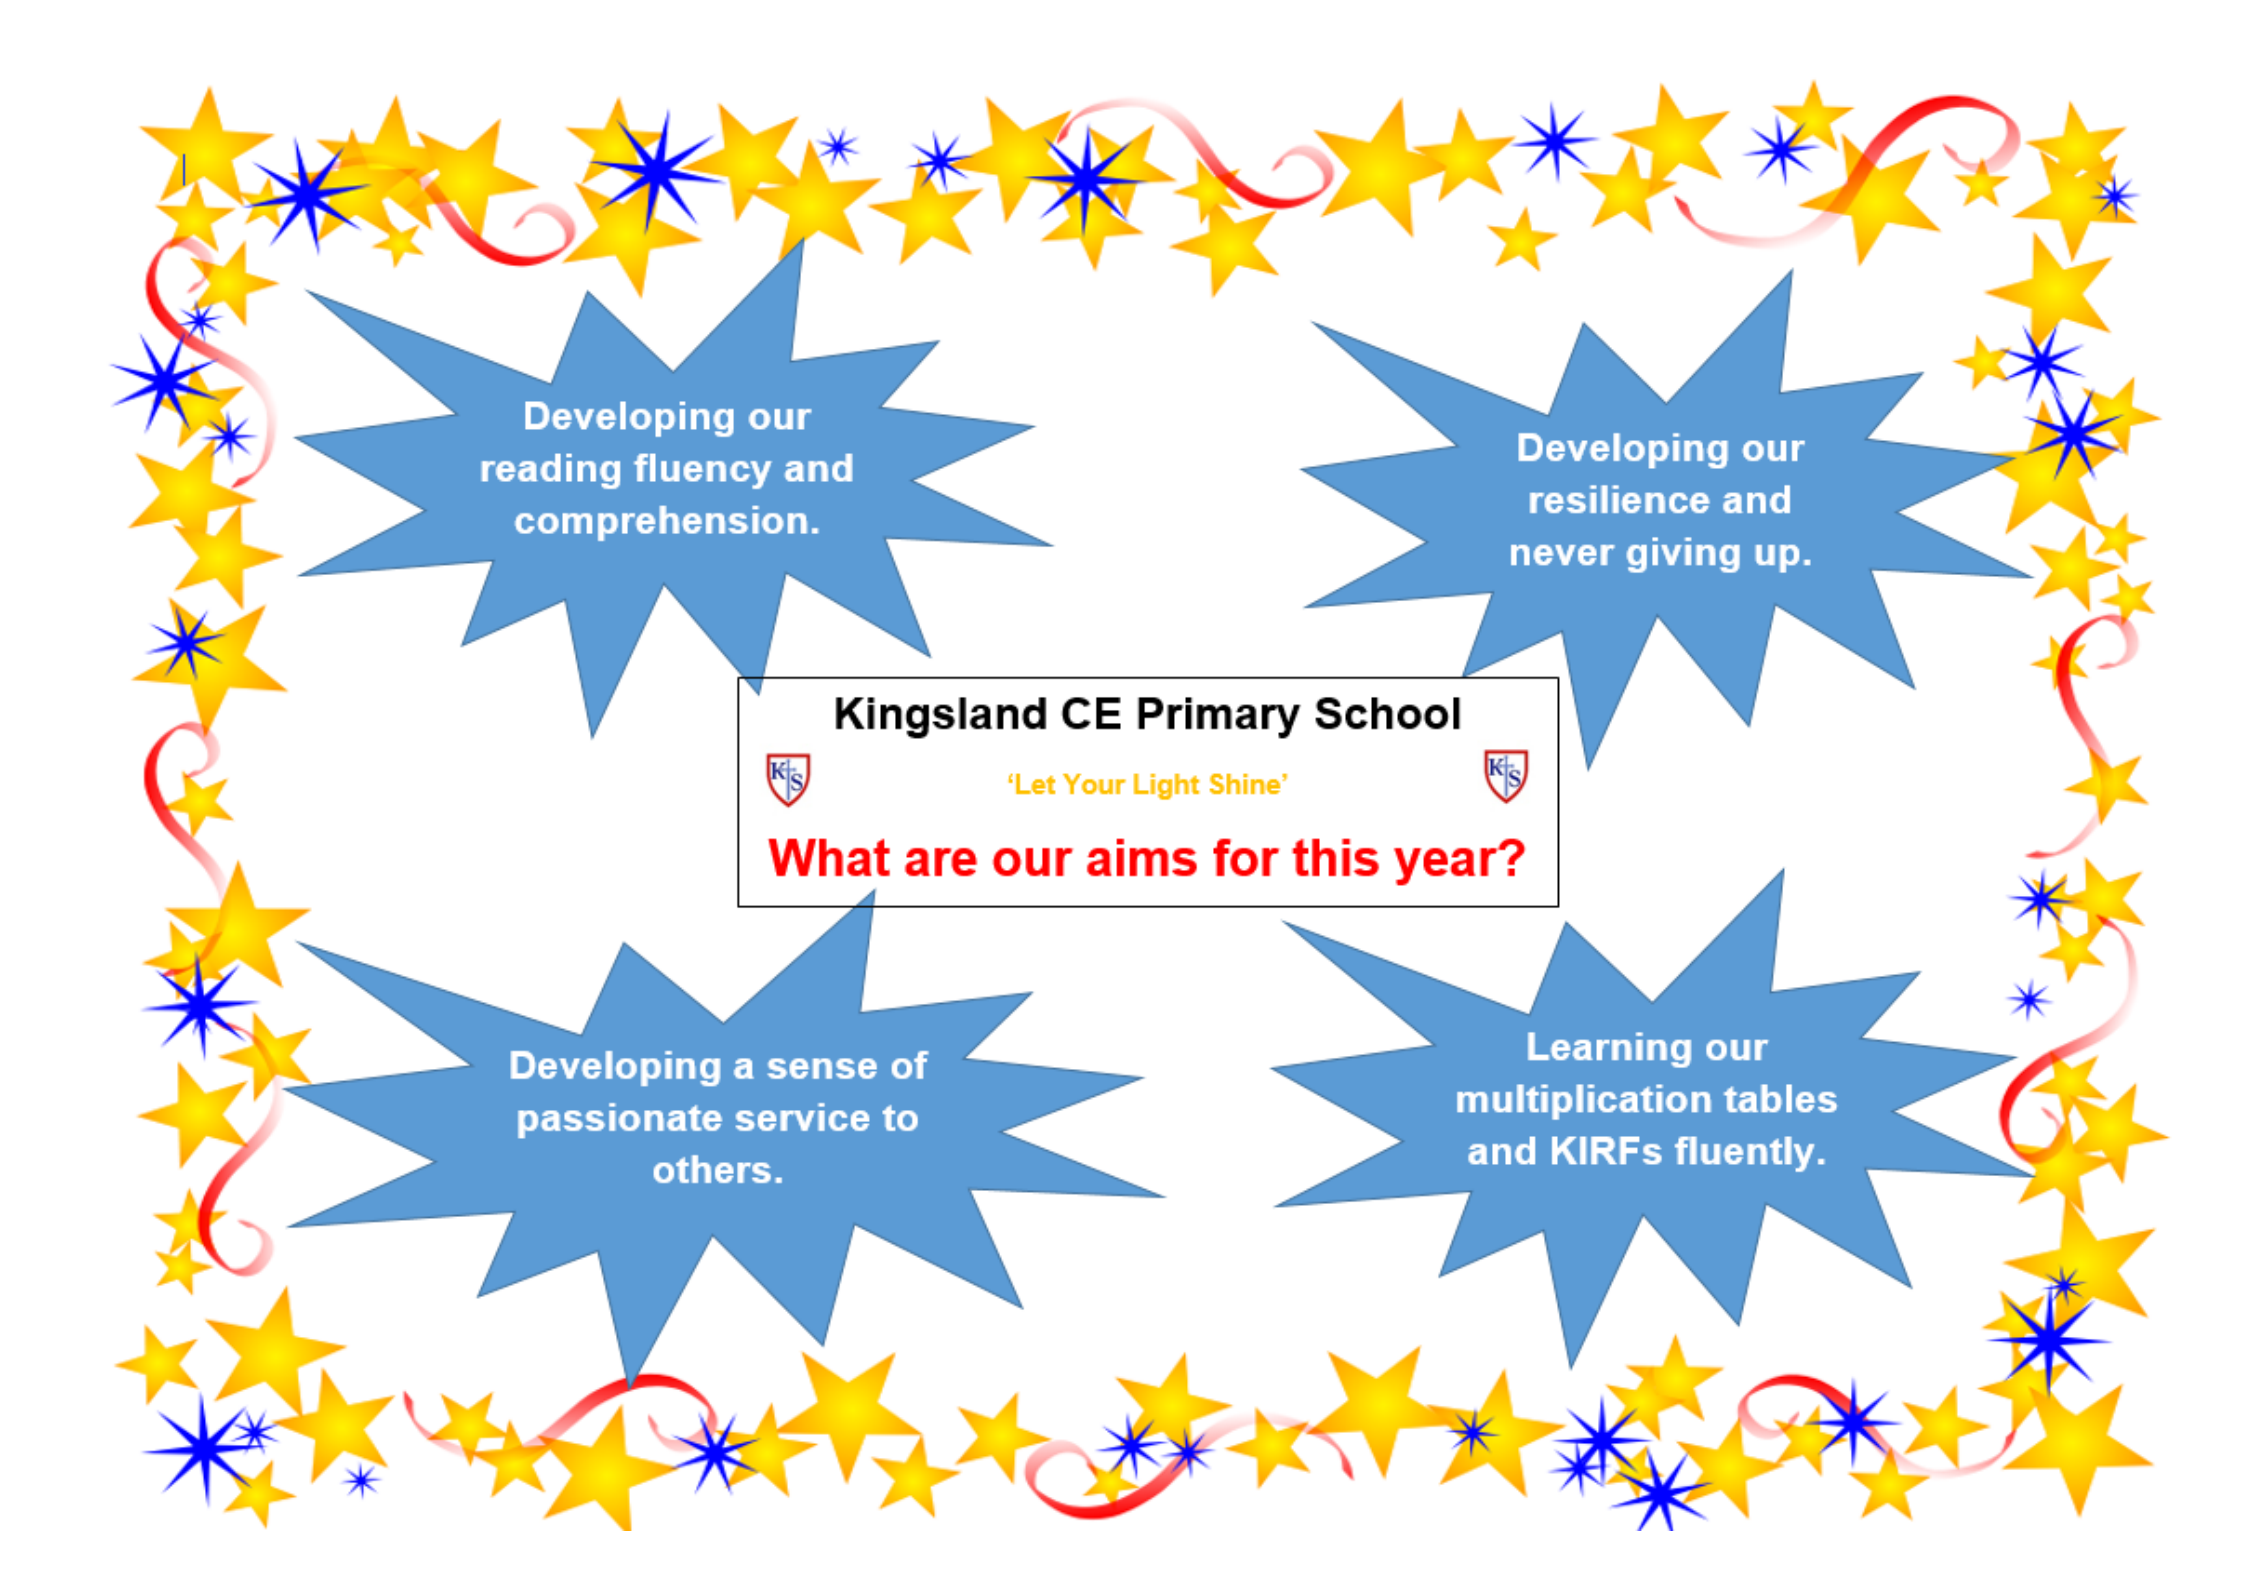

One day, Jesus was walking through a small village when he saw a group of ten lepers. They stood far away from Jesus and called to him, “Jesus, Master, have pity on us.” Obviously, they knew who Jesus was and that he had the power to heal them. When Jesus heard them, he called back to the lepers and said “Go, show yourselves to the priest.”

As the lepers went on their way to see the priest, they looked at their skin and the sores were gone! Jesus had healed their disease! They were so happy that they ran up and down the streets singing and dancing. Suddenly, one of them stopped and went back. Praising God with a loud voice, he threw himself at Jesus' feet and said “Thank you”. Jesus said to him, “Weren't there ten who were healed? Where are the other nine?” Only one out of ten remembered to say, “Thank you.”

Every one of us has so much for which to be thankful and don't you just hate it when someone does something nice for you and you are prompted with the words “Now what do you say?” We all know what to say, but unfortunately, we sometimes forget to say it - which is what happened in our Bible story.

Last year many of you sent cards and pictures to the Wye Valley NHS to say a very big “Thank you” to them for all their extra hard work during this pandemic – and then they wrote back to you with their heartfelt thanks saying how much they appreciated what you had done!

There is a very old saying “Count your blessings” and, indeed, it reminds us to celebrate and be truly thankful for everything, our families and friends and the acts of service in this amazing world that keep us all going each and every day.

Developing our
reading fluency and
comprehension.

Developing our
resilience and
never giving up.

Kingsland CE Primary School

'Let Your Light Shine'

What are our aims for this year?

Developing a sense of
passionate service to
others.

Learning our
multiplication tables
and KIRFs fluently.
