Our Christian value for this half-term is **JUSTICE**

Please help your child to reflect on the importance of this Christian value.

Life at Kingsland CE Primary School: life in all its fullness (John 10:10)

On Wednesday we welcomed Dr Duncan Jones to school who conducted a **SIAMS Inspection** (Statutory Inspection of Anglican and Methodist Schools). The inspection was very successful and was a great opportunity to celebrate life in all its fullness at Kingsland CE Primary School. The final inspection report will be sent out once it has been published – this will most likely be after Easter. More details to follow ...

Great news!

I am delighted to announce that, thanks to the dedicated hard work and persistence of the school governors and staff, we have been awarded two significant amounts of **funding**. The first is to redesign and update the **playground** area – the drainage issues will be addressed, along with new surfacing and playground equipment. We are fully aware that our playground facilities are currently not what the children deserve and so we are thrilled that we shall be getting a brand sparkling new playground! The second is to update the electrics in the school. These, I can assure you, are safe but require updating. These huge jobs will be completed during the summer holidays and will be finished by the time the children return in September.

Ludlow Orchestra are hosting their annual Children's Concert on 22nd May 2018 at the Ludlow Assembly Rooms.

The orchestra will be performing works from the BBC Ten Pieces such as **Tchaikovsky's Nutcracker, Dvorak's New World Symphony, Enigma Variations by Elgar & Rodeo Hoe Down by Copland.**

This is a superb way to introduce your students to classical music and to the instruments of the orchestra in a fun and interactive way.
