## SUPER SPORTS DAY 2016

On 21<sup>st</sup> June, the whole school took part in an action-packed day, full of excitement.

For KS1 the day included the following races: obstacle race, egg and spoon, running race and sack race. It was a competitive day but everyone encouraged one another and everyone was brave enough to take part and give it their all. A huge well done to everybody.

In the afternoon it was the turn of KS2 to compete in the challenging activities: sprint, cross country, optical course, relay race and crocodile catching. Everyone tried their best and contributed towards their house. A big well done to Ambrey, who managed to take the Sports Day Cup in the Super Sports Day! *Livi and Phoebe*

***Headteacher's Awards*** have been presented to: Daniel for fantastic reading;

Mya, Olivia H, Ashton, Reece, Anabelle, Ollie D, Seth, Georgia, Leah, Bethan, Sophie W and Olivia for writing; Zach for maintaining a high standard of writing and presentation; Rhys, Laine, Bethan, Leah, Olivia, Sophie W and Georgia for outstanding effort with their Anglo-Saxon Projects; Josh for excellent progress in maths throughout the year; Ethan and Mason for being entirely reliable in their recycling duties and Jack for consistently producing homework of the highest standard.

On 7th on July I underwent a haircut for the Little Princess Trust. For this I had to donate 12 inches of my hair so that they are able to make a wig for children who do not have hair. After washing and drying my hair I had to tie it in a plait so that it was all held together. I was quiet nervous as I have never cut my hair this short before, but I got through it as I knew it was for a great cause. My hair is now off my shoulders and although I was not sure to start with I now like my new hair style. To go with the hair I have donated I have also raised over £100 for the charity. The whole experience has been exciting and very fulfilling. *Olivia*

Lily C has also donated her hair to the Little Princess Trust.  
Thank you for your kindness girls. Mrs Daniel

## Bugsy Malone Review

Bugsy Malone was a fabulous show. Everybody's costume looked amazing, especially the scenery, it was just great. All of the dancing was choreographed really well and the singing from the Speakeasy girls was brilliant; it just surrounded the whole audience! The six soloists were so brave singing in front of such a large crowd. The orchestra played really well and they were all in time with the singing and each other. Nobody forgot their words. The best part was when Bugsy called Blousey, 'Tallulah', then Blousey called Bugsy, 'Fat Sam'. Then Bugsy went to give Blousey some flowers but he had forgot them so he pretended he had some, then Blousey said, once Bugsy had said, "I've got you some flowers", "Oh, I saw Tallulah had them." The whole audience was laughing. Once Knuckles had chucked water over Fat Sam, I started to laugh, as the crowd was laughing about me having water dripping from my clothes. The play went just as we had planned, despite a few minor mistakes. It was really good and we all enjoyed ourselves. *Oliver*

## Caswell Bay

On Friday 8<sup>th</sup> July, Class Four went to Caswell Bay as a conclusion to their Geography topic. The children had fantastic day learning about how coastal formations are formed such as stacks and arches. There was also time for them to enjoy time in the sea (splashing their teachers) and the beach. Many sandcastles, moats and sculptures made plus the obligatory beach sports of tennis and cricket.

## Summer Games 2016

### Reports by Year 3

Everybody played very well and showed a lot of team spirit. The free activity area was great fun and had laser shooting, bicycles, free apparatus running, bowls and drumming. *Ollie*

Lacrosse was a very popular game. Our Year 3 and Year 4 payers played well, showed good team spirit and won many of their games. *Jana*

We were really lucky and had some sunshine. The cricketers played with enthusiasm and team spirit. I enjoyed being a reporter and interviewing Mr Powell who said "I feel like I've been an enthusiastic team". *Erin*

It was lovely to be in the outdoors and fresh air. All those taking part played fairly and showed good manners. I even had a chance to try out the inflatable football pitch and scored 5 goals. My favourite activities were the laser shooting, pedal bikes and bowling. I also liked sitting down and watching people in the games. *Johnny*

## Sports update

**Cricket:** The annual hard ball cricket match took place at Almeley on Tuesday 12<sup>th</sup> July. It was a close match with the thoughtful approach of Almeley narrowly beating the enthusiastic nature of the Kingsland Cricket team. Big thanks to Almeley for providing a wonderful cricket tea at the interval.

**Netball:** Thursday 14<sup>th</sup> July was the Grand Final of the Mitchell Hamer. Kingsland were the winners of the Wigmore Cluster and they played the winners of the Kington Cluster, Kington. It was a fast paced match with Kingsland coming out on top in a 16-5 win. Well done!
