

## Kingsland Primary School PE Uniform

For the new school year 2016-2017 we are looking to smarten up the PE uniform, so a few changes will be made:

### KS1

There are no alterations to the KS1 PE uniform so it will continue as:

- plain white T-shirt
- red shorts
- black pumps

A PE pack is now available from Clubsport which contains all the above plus a drawstring bag, with your child's name printed on the bag for a total of £12. All children entering the school in 2016-17 will need this pack.

### KS2

The KS2 PE uniform will now consist of:

- red Kingsland hoodie (with embroidered badge) - £12.50 from Clubsport
- plain white T-shirt (no logo)
- red shorts (or red skirt for girls) – (stripes of any colour are **not** acceptable and only a small logo will be allowed)
- long black football socks
- black tracksuit bottoms or sports leggings (stripes of any colour are **not** acceptable, only a small logo will be allowed – a picture is shown on the following page to demonstrate). Plain fleece type tracksuit bottoms are available from Clubsport for £8.50

All children entering KS2 (Year 3) in 2016-2017 will need all the above uniform. For the children currently in KS2, we would like you to ensure that your child has long, black football socks and suitable tracksuit bottoms for the 2016-17 new school year and we would encourage you to purchase the red Kingsland hoodie, as this will also form part of the children's match uniform.

Standard PE kit: plain white T-shirt, plain red shorts and black football socks

Winter PE kit: red Kingsland hoodie, plain black tracksuit bottoms, white T-shirt and black football socks.

Winter PE kit: red Kingsland hoodie, plain black sports leggings, white T-shirt and black football socks.

The school kits which are used for tournaments or fixtures against other schools will be made up of the children's own black socks, Kingsland hoodie and black shorts (black skorts for netball fixtures). A school top e.g. football shirt or netball polo T-shirt will be provided. We would encourage children who play regular fixtures to purchase their own black shorts or skorts (again, with no stripes and a small logo) but we will have some available in school to loan.

School sports tops e.g. football shirt, netball polo or rugby top will be provided.

This size logo is acceptable for black tracksuit bottoms and sports leggings.

Please do not:

- wear any stripes on uniform
- have any big brand logos on uniform
- have any football or sports club branding or logos on uniform

**PLEASE NOTE: All sports kit should be clearly labelled with your child's name.**
