

Pupil Voice: Geography
19th January 2024
School Council

What is Geography?	What have you done in Geography this year?	Why is it important that we learn about Geography?	Have you engaged in Geography in any other activities?	How does being a School of Sanctuary support our Geography learning?	How can we improve Geography at Kingsland?
<p>Y5 - It is when you learn about different areas of the world. It is about 'today' not 'the past'.</p> <p>Y4 - Places in the world, they don't have to be in the UK</p>	<p>CI 2- Continents and oceans</p> <p>CI 3 - Rivers</p> <p>CI 4- Places in the UK</p> <p>CI 5- Land use in Herefordshire</p>	<p>Y5 - So you know about things that aren't in your world</p> <p>Y4 - So when you visit new places (when going on holiday) you can learn about countries.</p> <p>Y5 - In agreement with above, so you know where you are doing and if there are any wars nearby</p> <p>Y5 - It's important to learn about the present as well as the past.</p>	<p>Y4 - Before lunch we have answered questions about Geography</p> <p>Y5 - Out tables are labelled as continents.</p> <p>Y3 - We have looked at flowers of countries and then found out more about that country.</p> <p>Y6- Worldle and Newsround</p>	<p>Y3 - Because we are a school for everyone</p> <p>Y2 - Because we learn about refugees having to leave their homes and natural disasters</p> <p>Y5 - We learnt about Ukraine when Vera and Adele came to the school</p> <p>Y5 - I remember looking at a giant world map when we were in assembly and Class 5 helped in assembly</p>	<p>Y4 - We could learn about a wider spread of the world, like Africa *I explained to Gilbert that this was a Class 3 topic</p> <p>Y5 - We could learn more about countries that are experiencing war and do fundraising as a school, like when we had our Ukrainian day</p> <p>Y5 - I liked when we did a survey round Kingsland for Land use in Herefordshire, we could use the local area more to collect data e.g. Pinsley Brook</p>

Key Class Questions: Knowing more and remembering more

Class 2:

Can you list all of the continents?

Y1 - Asia, Africa, North & South America, Antarctica, Europe, Australia. Y1 sang the continents and said that helped him to remember. Y6 said she could still recall the song from Class 2.

Class 3:

Can you tell me any of the features of a river?

Y3 - The start of a river is called the source

Y2 - When the river curves and bends its called a meander

Y3 - When the little stream goes into the river its called....Arthur started this sentence but couldn't remember the term

Class 4:

Can you tell me what a settlement is?

Y4 - It is a house in a city or a town

Can you tell me a physical feature and a human feature of the UK?

Y5 - A river is a physical feature and a house or building is a human feature

Class 5:

Can you tell me three ways that land is used in Herefordshire?

Y6 - Recreational, agricultural and residential

What does AONB stand for?

Y5 - An area of outstanding beauty. We visited one on our walk when we went to Manor Adventure
