

**Pupil Voice: Art and Design**  
**5<sup>th</sup> January 2024**  
**Present - School Council**

<b>Why is art important?</b>	<b>What have you been learning about in your art lessons?</b>	<b><u>Class 2</u></b> <b>What can you tell me about colour mixing?</b>  <b>What can you tell me about printing?</b>	<b><u>Class 3</u></b> <b>What can you tell me about printing with natural materials?</b>  <b>Can you tell me a fact about Andy Goldsworthy?</b>	<b><u>Class 4</u></b> <b>Tell me about Canopic jars?</b>  <b>Can you tell me a fact about Steve Wiltshire?</b>	<b><u>Class 5</u></b> <b>Tell me about your Blitz pictures?</b>  <b>What is weaving? Where might we see weaving?</b>
<p>Iris - You might want to be an artist when you grow up.</p> <p>Hugh - Even if you don't want to be an artist, it can teach you how to paint.</p> <p>James - You can communicate through art</p> <p>Ada - You can use art to express your emotions</p>	<p>Iris – Printing</p> <p>Hugh - Land art</p> <p>Finn - We have been making Christmas trees for our cards out of triangles</p> <p>Niamh - Canopic jars</p> <p>James - We have been making death masks</p> <p>Jamie - We painted WW2 pictures with silhouettes</p>	<p><u>Colour mixing-</u></p> <p>Harriet - It is when you make different colours. If you put red and blue together it makes purple. Freddie - Blue and yellow together makes green.</p> <p>Iris - If you put green and red together it makes brown.</p> <p><u>Printing</u></p> <p>Iris - You can make different shapes with straws</p> <p>Freddie - You can use forks</p>	<p><u>Printing with natural materials</u></p> <p>Finn - We have been using our fingers to press on the paper and using potatoes</p> <p><u>Andy Goldsworthy</u></p> <p>Hugh - He was a famous artist, who has now died. He was a land artist not a printer.</p> <p>Finn - We have been doing outdoor art and I made a leaf path to heaven.</p>	<p><u>Canopic jars</u></p> <p>Niamh - We brought in Pringle jars, painted them gold and used clay to shape the heads.</p> <p>Eleanor - The Egyptians used to keep liver, lungs, intestines and stomach in them.</p> <p><u>Steve Wiltshire</u></p> <p>Eleanor - He is an artist that focuses on cities. He does cityscapes.</p>	<p><u>Blitz pictures</u></p> <p>Perry - We used the iPads to research different types of silhouettes that we could use. We then drew them and put it altogether.</p> <p>Ada - We used watercolours to make a dramatic background for WW2.</p> <p>Jamie - At the end we went into the hall and choose our favourite.</p> <p><u>Weaving</u></p> <p>Perry - We weaved our Christmas cards and we had to go over and under with different pieces of paper to weave a Christmas tree. In the Tudor times they weaved fences out of straw.</p>

**How do you think we could improve art at Kingsland?**

Perry - Do more Art

Jamie - Newer materials and paintbrushes as they all stick outwards

Iris - Do more patterns

Niamh - Whole school art project

Hugh - Maybe we could draw part of something and put it together as a whole school

Perry - We could make a big banner for outside the school, welcoming people into Kingsland School.

Jamie - Maybe, we could paint the outdoor classroom
