

The Attachment Research Community

Learning Hub Events

Embedding a culture of trauma informed and attachment aware practice in school

This face-to-face session will shine a light on how a culture of trauma informed and attachment aware practice has been developed in our school, including a deeply embedded school vision. Through real-life examples and open conversations, participants will see how relational approaches are embedded across the school community.

Monday 8th March 2027

4.00pm - 5.30pm

Free to attend

Venue:

**Kingsland C of E Primary School,
Kingsland, Leominster HR6 9QN**
