

The Attachment Research Community

Learning Hub Events

Our journey to developing trauma informed and attachment aware practice in school

This face-to-face session will shine a light on how trauma informed and attachment aware practice has been developed in our school, in order to assist other schools in their journey towards developing TIAA approaches. Through real-life examples and open conversations, participants will see how nurturing relationships are embedded across the school community.

Monday
9th November 2026

4.00pm - 5.30pm

Free to attend

Venue:

**Kingsland C of E Primary School,
Kingsland, Leominster HR6 9QN**
