The Firework Maker's Daughter – Chapter 1

In Chapter 2 of 'The Firework Maker's Daughter', Chulak tells Lila the secret to being a firework-maker and she decides to go and seek the royal sulphur from Razvani the fire-fiend.

Your task today is to write a letter as Lila to Lachland, telling him what she's going to do and why.

Think carefully about the tone of the letter and remember to explain your actions. You are writing in first person (I, me) as you are writing as Lila.
