**SPELLINGS** - information education location preparation organisation

### **ENGLISH**

Today you are going to continue **DRAFTING** your **non-chronological report** about your chosen endangered animal (we would be doing this in your draft book at school). By the end of today, you will have your **three main body paragraphs** written: **appearance, diet and habitat**.

Click the video links for each sub-heading to watch the video and follow the instructions for how to write this paragraph. Complete the videos (and paragraphs in this order).

#### APPEARANCE

<https://youtu.be/Wq2rP6XyZdk>

Approximately 20 minutes long.

#### DIET

<https://youtu.be/-Fabh6Y6LcY>

Approximately 16 minutes long.

#### HABITAT

<https://youtu.be/bq1gGVAIaqY>

Approximately 12 minutes long.

Remember that this is a draft, so crossing out is ok and you can edit after you written each paragraph. Check your spellings and punctuation and whether your paragraph makes sense. **We will be presenting this neatly later in the week.**

In the English folder there are some sentence start examples to help you and a list of coordinating and subordinating conjunctions that you will need for your writing.

1pm -> **TEAMS** 'story time' session with Miss Powis.

- Please make sure you are muted when you log on.
- Please make sure your camera is switched on so I can see you.

### **SCIENCE (IF YOU HAVE TIME)**

Click the link (<https://youtu.be/OaRBXOrrSQs>) to watch the video and complete the activities as directed by Miss Powis. You will need your science book and a pencil for this activity.

Watch **Worship Time** led by **Peter Greenfield** from **Kingsland Church**

Remember to take photos of your work and attach them to an email to send to the teacher email address ([teacher@kingslandengland.hereford.sch.uk](mailto:teacher@kingslandengland.hereford.sch.uk)) by 3.30pm. Please just send one email with 'FAO Miss Powis' and your name as the subject.
