

**Tuesday 26<sup>th</sup> January 2021**

**Maths**

1. Start with these 'Calculations of the Day' (COTD)

Number	X 10	X 100
4	40	400
8		
12		
	340	
29		
		1,200
3.4	34	
9.6		

2. Watch the White Rose Maths video

Year 4 – Divide 2-digits by 1-digit (Recap): <https://vimeo.com/492601303>

Year 5 – Multiply 4-digits by 1-digit: <https://vimeo.com/486775551>

3. Complete the White Rose Maths Worksheet

Remember to use the answer sheet to mark your work.

4. Counting Up Cards

Using a pack of cards (remove the Joker), turn one over at time and keep adding the numbers together.

E.g. I turn over a 5, and then a 7. I say 12. ( $5+7=12$ ). I then turn over a 10 and say 22 ( $12 + 10$ ).

Jack = 11, Queen = 12, King = 13.

5. Complete worksheet 2

Use the answer sheet to mark your work.

6. If you want a challenge, use the 'Discussion Problems' for problem solving challenges.  
7. Play 3 'Studio' games on Times Tables Rockstars.
