## Remote Education Resources

From 8<sup>th</sup> March 2021

### Let your light shine

**“Let your light shine before others that they may see your good deeds and glorify your Father in heaven.” Matthew 5:16**

**Let your light shine** on our vision:

*As God's children, overflowing with His light, we will shine before others to inspire, nurture and bring joy so all may embrace life in its fullness to the glory of God.*

# Kingsland CE Primary School

## Remote Education Resources

From 8<sup>th</sup> March 2021

### Rationale

In the event of **individual** children having to self-isolate at home from 8<sup>th</sup> March 2021, the following resources and provision is in place.

*If whole classes / bubbles are required to self-isolate, remote learning will resume with daily Teams meetings and daily work set via the school website (Tapestry for Class 1 children).*

### Provision and expectations

Government guidance for schooling from 8<sup>th</sup> March gives clear expectations for remote learning provision which should be equivalent in length to the core teaching pupils would receive in school and should include recorded or live direct teaching time, as well as time for pupils to complete tasks and assignments independently.

Minimum time expectations are:

KS1: 3 hours a day, with less for younger children

KS2: 4 hours a day

Teachers will endeavour to provide remote education as soon as reasonably practicable, which may be the next school day.

### Daily expectations

With teachers teaching full classes all day, our remote learning offer will inevitably look different to the provision that has been in place between January and March 2021.

Each day a child is self-isolating, they will be expected to follow the national **Oak Academy schedule** of learning for that day (for the child's particular year group). This can be found [here](#). Children should click on their year group's tab and complete all of the daily work for that day (with the exception of the maths lessons). Instead of completing the Oak Academy maths lesson, children will be directed by the teacher to the **White Rose maths** lesson / activity which the rest of the class will be doing for that day. This will involve a video lesson and worksheet / activity to complete.

Children should submit their work daily to the [teacher@kingslandengland.hereford.sch.uk](mailto:teacher@kingslandengland.hereford.sch.uk) email address for their class teacher to assess and feedback on.

Children in Class 1 should also follow the daily **Oak Academy schedule** (not the maths) and **White Rose maths** activities if self-isolating, and submit their work and comments via **Tapestry**, as normal.

*If a teacher is poorly and the class is self-isolating, these above procedures should be followed.*
