

## 100 Days at School

What a strange year we have had so far. However, we have managed to make it to **100 days at school**.

### What do we know about 100?

It is a big number – it is one more than 99, it is a three-digit number, there are 100 pennies in a pound, Winnie the Pooh lived in 100 Acre Forest...

To celebrate this, I would like to set you all a challenge:

- Look around and see if you can find the number **100** on a page in a book/on a front door etc.
- Clap your hands **100** times.
- Do **100** jumps on the spot.
- Your final task is to take 100 steps from where you are now and draw, write or take a photograph to record what you can see.
